- Donate to charity every time you browse via www.easysearch.org.uk - make it your homepage **NOW**

Log on, confirm your support for the Lincolnshire Community Foundation, choose a password, go to the stores list, **shop & donate on line**

*The Lincolnshire Community Foundation makes grants worth £1 million a year **exclusively to Lincolnshire people**, from the Humber to the Wash. In our first five years we gave £3 million to Children. We also fund heritage, the environment, regeneration, disability access, local community projects and cultural events. With just 3 full time staff, our costs are low; so, we can guarantee that at least 80% of donations go direct to good causes.*
