

Massive BOOST for Charitable Giving in Lincolnshire

Date released: 22/07/2008

The Lincolnshire Community Foundation, the largest independent grant maker in the County, announces the Grassroots Challenge:

- £300,000 pa of grants to charities and voluntary groups
- a £3 million endowment for Lincolnshire

We are sponsored by the government to raise endowment from business and private donors - but we can top up every donation.

We can double or treble whatever you give!!

The plan is to make small grants from investment income, keeping the capital safe, to support local communities in perpetuity.

Foundation Director, Gordon Hunter, said

The Grassroots scheme is hugely innovative and could transform charitable giving. Donors will see their money doubled or better and the fund they help to build will last for ever.

NOTES

Lincolnshire Community Foundation already makes over £1 million worth of grants to 250 groups a year from the Humber to the Wash. We help children's projects, volunteering, disability access, the environment, sport, crime fighting, churches and local communities.
