

## Social Enterprise Grants

---

Date released: 01/02/2008

The Lincolnshire Community Bank has a Social Enterprise fund of £20,000 to distribute by March 2008. Applications for up to £5,000 (capital and/or revenue) are invited from start up or emerging community businesses. To qualify you should be able to demonstrate that you have social aims, you have community involvement or ownership and that you are not-for-profit (surplus is ploughed back into the enterprise). You should be able to demonstrate that your realistic target is to become self-sufficient through generated income or secure contracts rather than unpredictable grants. ***For information and application form contact Ian Pepperdine on 01469 533966 or email [ian.pepperdine@btinternet.com](mailto:ian.pepperdine@btinternet.com) Closing date for applications is 14<sup>th</sup> March 2008.***
